MR. AND MRS. HATORI Since last month's bulletin both Mr. and Mrs. Hatori have entered the Nukada TB Sanitorium in Chiba Ken. They have a small sunny room together and we are praying that the rest and medical attention will restore them fully. Medical opinion is that Mr. Hatori must remain in the hospital until the end of January, by which time, if all goes well, he will be sufficiently restored to resume work in a limited way. His wife's condition will require longer treatment and she is likely to be in the hospital for six months or longer. We are deeply grateful for gifts to help with medical expenses which have come from the USA and Switzerland.* Please

continue to bear these two young people up in prayer.

Billy Graham is to visit Japan in February for special meetings with missionaries and with Japanese. Mr. Hatori is to be the official interpreter (if well enough) We are praying that he will be able to do this work as his knowledge of both Japanese and English will enable him to give faithful and effective interpretation.

*We sent \$102 from Fuller. Others who wish to contribute, see Dr. LaSor or Miss Hoffman.

FMF WORLD NEWS! Mary and George Gay, both working with the Latin American Mission Seminary, have sent several requests. Please remember the need for Registered nurses from the hospital training program. Government legislation now hinders acceptance of their graduates. Thank you from Costa Rica.

TITHE OF TITHE Begins Tuesday the 6th, and lasts through Friday the 9th. The tithe envelopes are in the mail boxes. Make all checks payable to Fuller Theological Seminary--for income tax purposes. Since this season tends to over-emphasize giving, it is easy to be a reluctant giver or one compelled by commitments but "Each one must do as he has made up his mind, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to provide you with every blessing in abundance so that you may always have enough of everything and may provide in abundance for every good work." II Cor. 9:7,8 (RSV)

Already, the different world mission prayer groups are designating a Fuller Seminary laborer to whom \$20.00 will be sent. Our giving of the past month has made this possible!

Before us is another challenge - that of sending two or three of our own international students to the International Student Conference at Lake Tahoe during the Christmas vacation to help reach others with the Gospel.

Let us give as we are able (Deut. 16:7), not reluctantly or through compulsion but cheerfully.
